OR

### Saturday, February 23, 2019 – Community Park

8U	9:00am
10U	10:00am
12U/14U	11:00am

#### **Who needs to attend Evaluations?**

Evaluations are only for leagues 8U and up. There is no evaluation process for 4U, 5U, and 6U. Those players are placed on a team based on team requests, friend requests, etc.

A player in 8U and up only needs to attend evaluations if they are not returning to their previous team or they are new to WBSA.

#### **Where are evaluations held?**

Evaluations are held at Community Park located at 800 Thomas Street in Wylie, TX. The player needs to first check in at the concession stand to be marked down and will be told which field to go to.

#### **How long is the evaluation process?**

The evaluation process is very short. A player will swing at a few pitches, field a few baseballs, and throw/catch. The process is approximately 2-3 minutes for each player. The player is free to leave when their evaluation is over. The league typically has two dates/times for evaluations per league. The player can pick which date and time is most convenient for them to attend.

#### **What does the player need to bring to Evaluations?**

The player needs to bring a baseball glove, bat, and helmet. If the player does not have these items, there are usually some extras on the field for the player to use.

#### **What if the player cannot attend either evaluation date?**

Players are strongly encouraged to attend one of the two dates. If a player cannot attend evaluations, the player will still be placed on a team but it will be via a blind pick by the coach.

#### **What if I have more questions?**
